

PopUpShow

Non-profit **PopUpShow** (Formerly: C.E.V.E. - Cultural Enhancement for Valencia County Elderly and Disabled) is one of the few providers of quality arts activities to underserved Valencia County, N.M. citizens, many of whom are compelled to live within publicly funded, community based, or centralized institutions. Some benefits to participants include: enhanced mobility, enrichment, habilitation, socialization rather than debilitating isolation, cognitive maintenance, anticipation of coming events as alternatives to loneliness and despair, as well as the intrinsic magic of live music. While **PopUpShow** music-providers are not certified music therapists, the therapeutic benefit of the program is undeniable. **PopUpShow** provides regular weekly events at diverse Valencia County senior, veteran, and special-needs facilities, as well as programs at public locations where all ages and abilities are welcome. A consistent schedule enhances the fulfillment of the organization's mission. Participation in **PopUpShow** events is always free. Beginning in January 2024, Founder/Artistic Director **Tony DeNardo** and other seasoned entertainers have donated countless hours. Board members serve without remuneration. **PopUpShow** is made possible via the financial support of every-day people. Enabling partners include: Craig Independent Tire Co., NMArts, The Valencia County Literacy Council, and Special Orchestra[®]. Financial donations are tax-deductible. Visit us at: PopUpShow.net
